Become a family involved in the Sports Boosters!
Let's show our community that there's no place like 'OM'

How can you get involved?

We are always looking for volunteers to help out at the concession stand and for our fundraising events. Attendance at monthly meetings is a great way to be involved. However, just joining the Sports Boosters and coming out to support the sports teams at OMHS is a great way to be an Owings Mills High School Sports Booster! Family Season Passes are available from the Athletic Department.

Questions or further membership information please contact omhssportsboosters@gmail.com

We are a 501(c)(3) organization. Your contribution may be tax deductible.
